3. The notary ensures that your NGO becomes legally valid.
4. Register with the chamber of commerce.
5. Arrange banking affairs.
6. Make a budget.
7. Make a website.
8. Look for volunteers

# Objectives:

- Improve life conditions of all animals.
- Respect animals and their rights.
- Educate and inform inhabitants about the responsible possession of animals.
- Encourage people about adoption.
- Satisfy the necessities of animals.
- Search for people to adopt animals.
- Attend parties, fairs and festivals to let people know about W.A.P.

# Fund-raising initiatives

- Search for sponsors to finance our NGO by providing publicity.
- Attend parties, fairs and festivals to let people know about our NGO and raise money.
- Make tours (not zoo tours) for people that like animals.
- Newspaper advertisement.
- Give lectures
- Animalwelter fair.

# 5 year plan

- Every year in every country an event about animals become extinct.
- No hunt in some areas.
- Donate money.
- Sell stuffed animals and use the money for real animals

# Potential benefits of the project

- Give animals on the street accommodation
- Make people aware of their animals to not put them on the streets.
- Collect donations to build a shelter
- Anti-violence against animals
- Anti-illegal animal fights.
- Anti-inbreeding.
- Pay attention to a good attitude of animals.
